Based at the Central Library in Doncaster, this service may be available to you if you are elderly, disabled or have an illness that prevents you visiting a library or if you are a carer of someone affected by these conditions.

Door to Door visits can be made to your home every four weeks. You may borrow up to 20 books and eight talking books at any time.

The library offers an extensive range of books, talking books and audiovisual titles for a wide range of tastes and interests. Every effort will be made to get the titles you request. Some books are also available in large print and different languages.
