

Initial Instructions Page for the Freegal mobile apps

Welcome to the Freegal™ Mobile Application.

To use Freegal, you need to be a registered cardholder of a library that has contracted the Freegal service. Once you have downloaded the App, the first thing you will see upon opening the App is a search box for libraries. Outside of the United States you can enter the name of the country you are searching (example: United Kingdom), the name of the library you are looking for (example: Doncaster Libraries), or the city in which your library's main branch is located (example: Waterdale).

Once you complete this procedure, you will see a list of libraries to choose from. Choose the one where you have a valid card. If you do not have a valid card you must get one from a library that has the Freegal Service.

We hope you enjoy the experience.
